FURNITURE MARKET REPORTS

CSIL's multicient catalogue includes **over 40 updated off-the-shelf reports**, covering all furniture segments and the most important countries worldwide. Reports are tailored to respond to various information requirements and can be grouped into the following types:

FURNITURE MARKET SCENARIO

Overview of the global sector. Production, consumption, imports and exports of furniture. Openness of the markets, origin of furniture imports and destination of exports. Statistics and outlook for each country. Prospects for international trade. Forecasts for the development of furniture demand.

COMPETITION

Market shares of sector companies, rankings, structure and performance, overview of the strategies and growth initiatives implemented. Company profiles including a description of the activity, production facilities, controlled companies and subsidiaries, brands, product portfolio and basic financial indicators.

CSIL constantly monitors furniture's international trade, including unpredictable circumstances and uncertainties affecting the global market scenario. CSIL furniture market forecasts reflect in-depth knowledge of the markets and its ongoing evaluation.
